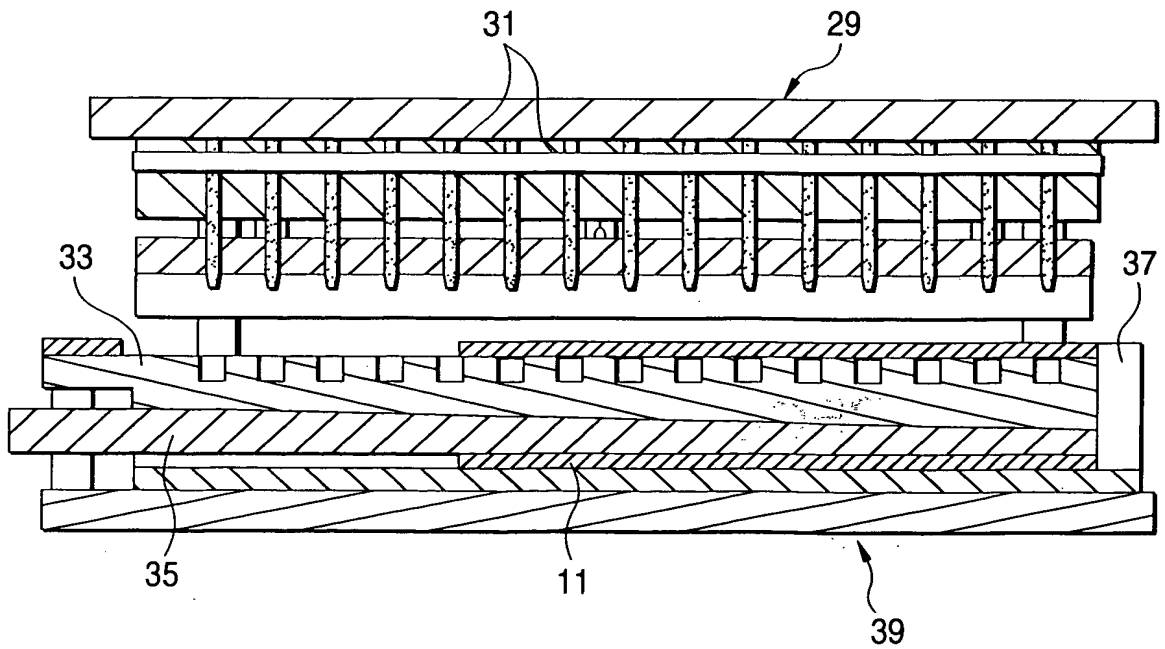

Figure 1 is a schematic diagram of a multi-layered device. The top part is a perspective view showing a stack of layers (13, 15, 17) between two vertical plates (27). A wavy line (24) is on the right side. The bottom part is a cross-sectional view showing the layers (13, 15, 17) and a central layer (25) with a wavy line (25a) on the right side. The cross-section also shows the vertical plates (27) and a central layer (17a) on the right side.
